Mixer Desk Spirit Folio F1

cpt does not have a Revox or any reel to reel sound equipment

Lighting

Strand GSX programmable board

2 Dimmer racks

Each rack, maximum of 10 amps per channel.

Each rack has 6 channels and draws 32 amps.

Lantern Stock

2x acclaim 18-34 degrees, 600w

4x par (CP62)

2x generic fresnels (zoom) 500w

3x Strand quartet 600w

2x patt123 600w

2x 1000w cyc floods

1x 500w flood (small)

3x birdies

Additional lights/sound equipment may be brought in by arrangement with CPT. We do not usually permit the replacement of the sound desk or dimmer board.

Seating

The maximum number permitted in the theatre is 60. This number is possible in traverse or arena but end on the number reduces to about 50. Seating arrangements must comply with Health & Safety regulations and a seating plan drawn up with the AD's approval at least 10 days before the performance (if it differs from 'end on' arrangements).

Stage area

5m x 5m end-on (approx)

Height to rig 3.20m to ceiling 3.66m.

Acoustics: excellent (wood floor & ceiling)

It is possible to paint the walls and floor, but they must be returned to base colour at the get-out. Paint will normally be provided by CPT and the cost passed on to the company.

***** Please note that presently only 10 out 12 channels are dimmable

58-60 Hampstead Road London NW1 2PY
