

## Detailed Synopsis of *Since U Been Gone*

**Suicide** - the play is a letter to the performers best friend who died from suicide 3 years ago. No details on the method of act are included, but the reactions and surrounding grief are integral to the piece.

**Self harm** - there is one short reference to long sleeves hiding scars, but nothing is seen or discussed about how they arrived there or the act of cutting.

**Transphobic language** - the slur Tranny is shouted once to depict an assault that happened in the past, this moment lasts approximately 30 seconds.

**Strong language** - numerous curse words are used colloquially but never as an attack or aggressively

**Scenes of a sexual nature** - A comedic scene depicting a consensual hand job, with no nudity

**Reference to mild drug use** - There are numerous references to smoking weed, rolling joints and being high but all told in past tense and no hard drugs.
